

Yahweh Has a Plan

Purpose

This study explores the biblical theme that Yahweh is working according to His purpose and that His plans will ultimately be accomplished. While people often make plans for their own lives, Scripture reminds us that true wisdom comes from trusting Yahweh, seeking His guidance, and recognizing that our plans succeed only if they align with His will. Through these passages, consider how Yahweh directs events, fulfills His purposes, and calls His people to place their trust in Him.

If studying in a group, read each passage together and discuss its meaning. Consider what each scripture reveals about Yahweh's purpose, human plans, trust, obedience, and the fulfillment of His will.
